

The Summer BINGO Reading Challenge is here!!!

Get ready to BINGO!! Read different things over the summer and mark your squares off as you complete each thing you read! It is fun and easy!

This is mandatory to at least get one BINGO, which would mean completing 5 different activities.

As in "real" BINGO, there are also other ways you can win. For each "regular" BINGO, you will earn a ticket for drawings to be held the 2nd week we are back in school. There are 12 different ways to BINGO, so those horizontal, vertical, and diagonal lines will each earn you a ticket. You could earn as many as 12 chances for a prize!

Some Basic Rules (please read carefully and follow the directions!):

1. **Keep track** of your BINGO card! You will need to bring it back during the FIRST week of school. NO BINGO sheets will be accepted late.
- * 2. **Write the title of the book, magazine, or whatever you read, in the BINGO square, along with the DATE you finish it and have a parent initial it.** Mark your square with an "X" to help you keep track of what you have already read! You must have this information in the squares in order for it to be counted.
3. **IMPORTANT NOTE:** Each thing you read can only **COUNT ONCE** on your card. (For example, if you read a picture book to your little brother, you can only count it as "Read a Picture Book to someone" **OR** "Read Aloud to Someone for 15 minutes," **NOT BOTH**. Another example: If you read a 200 page chapter book, you **cannot** mark off both of the "Read a chapter book with over 100 pages" squares. Each square is its own independent reading event—nothing overlaps.
4. Then, **Read! Read! Read!**

Prizes & Incentives:

****You are entered into a drawing for individual prizes with each ticket you earn for a 5-square BINGO.**

The Summer Reading Challenge is a **COVERALL** game! Your goal for the summer is to cross off each of the squares of your BINGO card! If you read and mark off the entire card, you will be rewarded with the GRAND PRIZE the 2nd week we are back in school! **A Coverall is the only way to earn the GRAND PRIZE!**
