New Beginnings!—Jane Scupham

The start of a new year brings about the conversations, the television segments, and the magazine spreads about resolutions. Everywhere we see advice, touting ways to make over your house, your diet, your exercise regime, your closet space...you get the idea.

New beginnings are not always smooth and without setbacks. Look at our school journey into the new year of 2015. We came for 2 days and then were off for 2 and then on for one. Fits and starts. Our beginning to this school year, may not have been the smoothest, but we're on track for another successful semester!

Another new beginning which happened last week was the installation of the 4th Bishop of the Diocese of Gary, Bishop Donald Hying. The poor bishop had to brave subzero temperatures to begin his installation Mass at Holy Angels Cathedral—not the best start! If you had the opportunity to watch the Mass on television or on-line, you saw that the Bishop knocked on the door of the Cathedral announcing to all with the loud knocks that he had arrived and was ready to take possession of his diocese. The brutal cold weather of the outside was quickly dispersed with the warmth of the Cathedral and the Bishop's own personality which radiated warmth and happiness throughout the ceremony. A promising new beginning after a cold start.

Bishop Hying comes to our diocese from the Archdiocese of Milwaukee. A native of Wisconsin, he is the youngest of six sons of the late Albert and Catherine Hying. He is a graduate of a Catholic grade school and Marquette University. We have high hopes that he will champion the cause of Catholic education and the need for financially viable Catholic schools throughout the diocese. Please join your prayers with ours as we pray for our new Bishop.

As we embark on this new year, we here at Saint Paul School invite you to our resolution this year for the continuation of educational curiosity and faithful families.

A Letter of Gratitude

Dear Members of St. Paul Catholic School,

We are so very humbled by your Christmas contribution to our Home. Your thoughtful and generous donation of toiletries and the easel for all of the children here at St. Joseph Carmelite Home/ Tauscher Center is so deeply appreciated by all of us—you know how much!

We now place you into the maternal hands of our Immaculate Mother Mary, to bless and protect you all during the days ahead. We shall gratefully remember you in our Carmelite Masses and prayers. I am completely at a loss to express our true gratitude for this generous gift that have presented to us. May God reward you all a thousandfold!

May I ask you also to say a little prayer for us during this time so that we may continue to care for our children and that our Carmelite Home may remain open in order to serve them as best we can?

Be assured that this generous donation will be appreciated by all! We wish, with our whole hearts, for you and all of your school employees and their family members, a most holy and happy celebration of the New Year.

BoxTops Update! — *Betty Franz*

A BIG "thank you" to all who faithfully collect and send in BoxTops...I am pleased to inform you that over Christmas break our school received a \$1,363.80 check from the BoxTops program. That is wonderful and I applaud everyone's efforts in "turning trash into cash" through this program. May we all be encouraged to continue our efforts and increase the amount of the next check! You may send your unexpired boxtops to me any day and in any amount. Thank you again!

Also worth noting, Town and Country occasionally prints BoxTops on their receipts based on purchased products. Please watch for those.
