#### **How Vouchers Work:**

You submit your Voucher to the Participating Vendor at the time of purchase. They will fill it out and give you the pink and gold copy back. Turn in your pink copy to the school and keep the gold copy for your records. You will not see a credit until the vendor submits a contribution on your behalf.

**Please note this may take a some time.** It will show up on your voucher portion of your monthly statement once we received their payment.
